

Acknowledgement of Confidentiality Obligations

I, Ramana Prabhu Sana ("Project Team"), am a student, faculty or staff who is participating in research, a project or other activity, that entails access to information that Purdue or its Sponsor holds as confidential.

For and in consideration of the opportunity to participate in the Accenture/Ralph Lauren (the "Project"), I agree as follows:

1. **Definitions.** For purposes of this Project Team Acknowledgement of Confidentiality Obligations ("Agreement"), the terms below shall have the following meanings:
 - 1.1. "Proprietary Information" means any and all information (i) created by me during the Project and which relates to the Project, or (ii) provided to me during the Project, which is marked or otherwise identified as "Confidential" at the time of disclosure by Sponsor.
2. **Confidentiality.**
 - 2.1. I acknowledge that during the Project I may have access to, receive, and create Proprietary Information.
 - 2.2. I agree: (1) to use and reproduce all such Proprietary Information only as and to the extent reasonably required and necessary for the Project, and (2) not to disclose Proprietary Information to third parties (anyone other than Project participants) unless such disclosure is required and necessary in the performance of the Project and has been expressly authorized, in writing, by **Accenture/Ralph Lauren**
 - 2.3. I understand that storage of Proprietary Information on personal computing and mobile devices, including, without limitation, laptops, tablets and mobile phones is prohibited, and that storage on Purdue servers or file locations requiring Purdue credentialed log-ins provides better security for Proprietary Information. To the extent any Proprietary Information is stored on my personal computing or mobile electronic devices (including, without limitation, laptops, tablets and mobile phones), I agree to be responsible for providing appropriate password and encryption protection.
 - 2.4. Upon completion of the Project (or any earlier termination of my participation in the Project), I will deliver to **Accenture/Ralph Lauren** all tangible materials in my possession which contain Proprietary Information.
3. **Term.** I agree to be bound by the confidentiality obligations set forth in this Agreement until the earlier of (a) the date on which the Proprietary Information is published in accordance with this Agreement or otherwise; (b) the date on which I receive written confirmation from Sponsor that the Proprietary Information is no longer restricted from dissemination; or (c) the third anniversary of the conclusion of the Project.
4. **Rights and Remedies.** In the case of actual or threatened breach of the confidentiality obligations of this Agreement, the parties agree and consent to all remedies available at law or in equity. Notwithstanding the foregoing, consequential, special, incidental and indirect damages are considered inadequate remedies and are expressly excluded.
5. **Governing Law.** Any justiciable dispute arising out of, or related to, this Agreement shall be determined solely and exclusively under the substantive law of the State of Indiana by a court of competent jurisdiction in Indiana.

I have read, understand and agree to be bound by the term of this Confidentiality Acknowledgement.
